May 2017

Dear Parents,

As you will know from the Portway Press, we are working closely with the Lloyds Banking Group to offer some sessions for parents about digital awareness. We talk about the issues regularly in school with pupils but it is really important that parents have an awareness as well.

We would like to invite you to a digital awareness workshop, to be held at school, on Wednesday 7th June at either 2:15pm or 6:00pm. The workshop itself will be delivered by the Digital Champions from the Lloyds Banking Group and will look at many ways in which we can all keep our children safe when they are using the internet, their phones, games consoles and other digital devices.

The workshop is for parents only but is provided free of charge; tea, coffee and biscuits will be provided. In order for us to plan this adequately, please complete the form at the bottom of the letter, indicating how many spaces you would like, and return it to school as soon as you can. If childcare is an issue that would prevent you from attending this meeting, please let us know and we will see how we can help.

We look forward to seeing you on June 7th.

The Portway team
